

KATLAX ENTERPRISES PVT. LTD.

Works: Blocks No. 117-119, Santej-Vadsar Road, Santej, Tal. Kalol, Dist. Gandhinagar – 382 721.
Tel.: 00-91-2764-286784/5. Fax : 0091-2764-286793. E-mail: info@katlax.com www.katlax.com

Company Profile

We are one of the leading manufacturers of Sensors and Automation products in India. Backed by an experience spanning more than two decades, State-of-the-art infrastructure and a team of dedicated engineers and professionals, we have developed a huge product portfolio that addresses to a very diverse base of industries both in the Domestic as well as Global markets. Globally we are addressing to more than 25 countries such as USA, Mexico, Brazil, Germany, Switzerland, Malta, Netherlands, Belgium, Turkey, Singapore, Hong Kong, Malaysia etc. Our diverse clientele includes industries such as Textiles, Injection Molding, Pharmaceuticals, Printing, Packaging, Paper, Heavy Engineering, Material Handling, Ceramics, Energy, Power Sector, Transport & Logistics, Plant & Process Automation etc.

Our client list is exhaustive which includes more than 1,500 names spread across India. To name a few are Trumac Engineering Co. (India) Pvt. Ltd., Rieter India Ltd., Lakshmi Machine Works (LMW) Ltd., Reliance Industries Ltd., Rockwell Automation (India) Pvt. Ltd., Adani Energy Ltd., Suzlon Energy Ltd., Essar Ltd., L & T (Hazira), L & T Demag, Arvind Ltd., E+L, Raymond Ltd., Jain Irrigation, Ingersoll Rand, Rexroth, IOCL, ONGC, HPCL, OIL, IPCL, Cadila Pharma, Sun Pharma, Intas Pharma, Clestra etc.

We have been awarded ISO 9001 certification by ISOQAR and accredited by UKAS, United Kingdom. Our products have been approved for Intrinsic Safety (Ex) applications and Weather-Proof Construction (IP-67 / IP-68) by CIMFR, Dhanbad. Our products have been tested for IEC-60947-5-2, 1998 Tests Standards by ERTL (W), Mumbai. To tap the growing acceptance of our product in the Global market particularly North American and European countries, our products have CE, UL & c-UL certifications. We are PESO (formerly CCOE) approved organization for supply of products for Hazardous Area Application. We are also certified by DGFASLI (Min. of Labor, GOI) for safety requirements.

Our diverse product portfolio includes following range of products:

- **Proximity Sensors** – Inductive, Capacitive, Photo, Magnetic, Hall Effect, Reed Switches, Magneto Restrictive
- **Connectors & Cable Assemblies** – Male, Female, M8, M10, M12, 3-pin, 4-pin, 5-pin, 8-pin, Molded, Screw type, Snap type and Customized
- **Industrial Automation Modules** – Digital Timers, Preset Counters, Programmable Length Counters, RPM Indicators, Digital Panel Meters (Voltage, Current, Hz etc.), Over/Under Speed Relay Units, Programmable Temperature Controllers, Process Indicators, Process Controllers etc.

KATLAX ENTERPRISES PVT. LTD.

Works: Blocks No. 117-119, Santej-Vadsar Road, Santej, Tal. Kalol, Dist. Gandhinagar – 382 721.
Tel.: 00-91-2764-286784/5. Fax : 0091-2764-286793. E-mail: info@katlax.com www.katlax.com

- **Hazardous Area Products (Ex Approved)** – NAMUR Sensors, Zener Barriers, Isolators, NAMUR Amplifier Relay Units etc.
- **Pressure Transmitter** – Differential, Absolute, Gage, 0-10VDC, 4-20mA, RS-485 MODBUS, RS-232 Customized. With Display and Without Display
- **Humidity cum Temperature Transmitters** – 0-10VDC, 4-20mA, RS-485 MODBUS, RS-232 Customized. With Display and Without Display
- **Safety Light Curtain** – 6" to 30" Inch Height, Up to 5 meter sensing distance, with or without controller unit
- **Logistics Solutions** – E.S.M.S. for Fuel Trucks, RMC Truck Drum Rotation Monitoring, Temperature & Humidity Monitoring for Refrigerated Trucks.

Our expertise lies in Import Substitution and Customization, which is carried out at our R&D lab by a team of qualified engineers. Our USP is being adherence to the International Benchmarks at competitive prices.

We are Channel Partners of CMC Ltd and Micro Technologies India Ltd. in developing Solutions for logistics i.e. Oil Cargo Tracking and Seal Monitor for Hindustan Petroleum Corporation Ltd. (HPCL). We have executed an order for HPCL for 5,200 Oil Tankers where we provided Electronic Seal Monitoring System for tanker tracking through GSM/GPS. We have also executed contract of 67 CNG Dispensing Stations for Data Acquisition System to integrate with SCADA of Honeywell Corporation. This project is implemented by Adani Energy Ltd. in Ahmedabad and will continue in many cities all over India. We are also working with Reliance Logistics Ltd., Ashok Leyland and Tata Motors for providing integrated solution for monitoring Seal Status, Fuel Consumption, and Humidity & Temperature of Refrigeration System online using GSM/GPS. We regularly supply Sensor products to ONGC for Oil Field Application (RIG Up/Down Counting) through our Channel Partner M/s CIMCON Software (India) Pvt. Ltd.

We have successfully entered into NDA for Contract Manufacturing with many MNCs to manufacture Connector & Cable Assy., Sensors and Automation products. Many of them are EU companies.
